RE: Engaging in Waste Industry

Dear Mr. Mraz:

This is to advise you that the investigative report from the Attorney General required under N.J.S.A. 13:1E-126 et seq. has been received by the Department of Environmental Protection. Based on our review of the aforementioned investigative report, the Department is hereby authorizing the following business to be

"Engaged in the Solid/Hazardous Waste Industry in New Jersey":

**CAPITOL ENVIRONMENTAL SERVICES, INC.
D/B/A CES CAPITOL ENVIRONMENTAL CORP.**

Please be advised that the "authority" hereby issued is **"conditional"** and is modified by the terms and conditions as specified on the attached document as they have been put forth by the Attorney General's Office. Failure to meet the specified conditions will result in the revocation of this authority.

This letter will serve as documentation that Capitol Environmental Services, Inc. is **"engaged in the solid/hazardous waste industry of New Jersey"** to **"manage"** the solid/hazardous waste removal needs of its clients by, among other things; 1) renegotiating waste removal contracts to obtain rate reductions, 2) contacting waste removal companies regarding customer service, needs and concerns, 3) receiving and reviewing all invoices from carting companies. This authority must be renewed annually by filing the Annual License Update form and any other change of information concerning your company or its operation as required by the Department.

You may also be required to obtain a Certificate of Public Convenience and Necessity prior to commencing solid waste business operations. Questions regarding this certificate should be directed to (609) 984-2080.
